The Big Pumpkin

Nate and Meg are at the farm. It is the big pumpkin contest. They have to find the biggest pumpkin. The biggest pumpkin wins the prize. Last year they came in 2nd. This year they want to win.

"Look! I see a big pumpkin," Meg said. Nate and Meg run to see it. It *is* a big pumpkin! "This is the one!" said Nate. They pick the pumpkin. They put it in the wagon. Nate and Meg get back just in time. The judging is about to start.

Nate and Meg's pumpkin is 20 pounds. It is the biggest of them all! Nate and Meg win! The prize is two pumpkin pies. They smile all the way home.
